THE STORY

In 1988, five of rock's greatest artists joined forces to form **The Traveling Wilburys** — a supergroup that recorded two legendary albums but never toured. Roy Orbison's passing ended any chance of seeing these icons share a stage.

Until now. The Wilbury Super Group delivers the concert that should have happened — the greatest hits of Petty, Harrison, Orbison, Dylan, and Lynne performed with stunning authenticity by artists who've dedicated their careers to honoring these legends.

THE GREATEST SETLIST OF ALL TIME

Tom Petty

Free Fallin' • American Girl • The Waiting • I Won't Back Down • Running Down a Dream

George Harrison

Here Comes the Sun • Something • While My Guitar Gently Weeps • What Is Life • Plus Beatles classics

Bob Dylan

Roy Orbison
